

Website Hints and Tips September 2024

Welcome to the new OKA Website. This document attempts to describe the features of the site and how best to navigate the various selection options you are presented with.

Home Page

This is the page you are directed to when you use

<http://www.oldkingstonianshull.org.uk>

in your browser. There are many browsers for websites, for example, Internet Explorer, Edge, Firefox, Safari, Chrome and Opera. All these should work well with this website. You can access the site using an Apple/Windows PCs/Laptops, Tablets and Smartphones

The website is navigated using the main menu bar below

Home Who Are We? News Calendar Notable Alumni Join Us Donate Contact Us Memories Souvenir Shop

The main menu bar selections are, hopefully, self-explanatory so please see what is behind each one. Several have dropdown menus.

There are other links (coloured maroon) in the body of the introductory text and also some hidden links, for example, the logos at the bottom of the page link to other websites, i.e. Jupiter Web Solutions, Sirius Academy and Carnegie Heritage Centre.

Immediately below the introductory text are links to the Photo and Memorabilia galleries as well as further down the page. Below the first gallery, there are 3 panels News, Photo Gallery and Memorabilia and Memory Lane. The panels can be opened by clicking on the headings above the text. However, the Memory Lane panel is password-protected and restricted to Members only. The password you have been previously sent allows access.

On the right-hand side of the page, there are various quick links available.

As a general navigation principle once on the website, if you want to go back a page, either a 'BACK' button is provided or if not, clicking on the left pointing arrow in the top left corner of your browser will achieve the same result.

Finally, it is important to note the Eye symbol in the top right-hand corner of the screen. The dropdown menu allows adjustments to be made to fonts, colours and the underlining/highlighting of links.
